Write an email from a student to their professor requesting an extension on an
assignment submission deadline. The email must follow all professional email rules.

Subject: Extension Request: Request for Extend Submission Deadline

Dear Professor ,

I hope this email finds you well.

I am writing to respectfully request an extension on the upcoming assignment, **1/5/26**, which is currently due on **[1/4/26]**.

Due to unforeseen circumstances, I have been
unable to complete the assignment to the standard I strive to maintain, I am finding it difficult to complete the assignment to the best of my ability by the original deadline. I take my studies seriously and want to ensure that the work I submit reflects a thorough understanding of the course material.

If possible, I would like to request an extension . I am confident that this additional time will allow me to finish the project at the professional standard required for this course.

Thank you for your time and for considering my request. I

look forward to hearing from you.

Best regards,
